

You have received your new Telus phone! Please carefully read the following information below and follow the instructions to successfully complete the activation.

Please call 905-761-1823 to speak to one of our Client Support Representative to submit the activation request. **Once the request has been submitted please place the battery in your new unit if required and make a test call.**

*****IMPORTANT NOTE***** You have 10 days to complete the transfer through Wireless Systems Solutions. Failure to follow the instructions will result in additional charges to the company.

*****PLEASE NOTE***** Our hours of operation are from **9am to 5pm Monday to Friday**. *If your current mobile device is not working* and you need your new device activated immediately, please call our after hour emergency line by dialing 905-761-1823 and Pressing 1.

Thank you for choosing Wireless Systems Solutions.
